

adizero Rose 2.5– Men's Basketball

The fourth signature shoe for MVP Derrick Rose, at 11 ounces the adizero Rose 2.5 is the lightest mid-cut signature basketball shoe Derrick has ever worn to give him next level speed and support for the second half of the season and NBA Playoff run.

SIGNATURE DETAILS: The adizero Rose 2.5 features a top down Google Earth view of Derrick's Englewood roots embossed into the toe box and upper. The map view is a continuation of the "Cleared for Take-Off" theme of the Rose 2 and represents a view from high above. Signature details include "ROSE" on the tongue and three stripes branding on the back of the shoe to emphasize his speed on the court. The sockliner features an infrared color and Derrick's signature as a nod to his motivation and inspired play on the court. Derrick's jersey number "1" featured on toe.

UPPER: Inspired by the adiZero Crazy Light, it features a premium SPRINTFRAME execution and enlarged SPRINTWEB area to reduce weight, add support and allow maximum motion control. The GEOFIT memory foam collar provides optimum comfort and fit.

OUTSOLE: Uses adiZero Crazy Light outsole traction system and has varied engineered thickness to ensure maximum grip in high wear perimeter zones, and less thickness and weight in low perimeter zones like the midfoot. miCoach SPEED_ CELL compatible.
