

# adizero<sup>™</sup> feather 2 - running fw12

## BASIC INFORMATION

The adizero<sup>™</sup> Feather 2, the lightest every day running shoe helps athletes all around the world to become faster and improve their performance. The technology and performance benefits of the adizero<sup>™</sup> Feather 2 can also be found in the adizero<sup>™</sup> Prime, the lightweight sprint spike (3.5oz./99g, men's, size UK 8.5).

## TECHNOLOGY BENEFITS

Weighing 6.7oz./190g (men's, size UK 8.5) and 5.6oz./160g (women's, size UK 5.5) respectively, the adizero<sup>™</sup> Feather 2 for both men and women is available as of July 1, 2012 at selected retailers, adidas Sport Performance Stores and on [www.shopadidas.com](http://www.shopadidas.com).

The adizero<sup>™</sup> Feather 2 now features a miCoach cavity embedded in the shoe which allows the runner to insert the new miCoach<sup>®</sup> SPEED\_CELL<sup>™</sup>.

- 1 RACING STRIPE HEEL**  
The heel is all your competitor will see as you leave them behind.
- 2 ADIPRENE<sup>®</sup> +**  
Full forefoot ADIPRENE<sup>®</sup> +
- 3 SPRINTWEB UPPER**  
Seamless support only where you need it.
- 4 ZONEMOTION OUTSOLE**  
Intelligent rubber zoning for grip and weight reduction.
- 5 SPRINTFRAME**  
Platform is directly attached to the upper which ensures optimum forefoot propulsion. It saves shoe weight significantly while maintaining important performance characteristics such as comfort and energy transfer.
- 6 miCoach<sup>®</sup>**  
Now miCoach<sup>®</sup> compatible.
- 7 ADIWEAR<sup>™</sup>**  
Reduces wear in key sole areas for more life from the shoe.
