MEN'S
SPRING | SUMMER 2014

EXCELLENCE NEVER STANDS STILL

It's as forward moving as those who define it. Porsche Design Sport is a collaboration between adidas and Porsche Design, fusing leading-edge sport performance technology with a sophisticated, minimalist point of view that defines a new era of engineered luxury sportswear.

The Spring/Summer 2014 men's collection includes apparel, footwear and accessories in the categories of Driving, Elements, Golf, Running and Gym. Every piece marries exclusive materials, performance-enhanced details and meticulous craftsmanship to create a signature look that is cutting-edge, modern and timeless.

DRIVING

Premium leather details transform a sporty racing style into a refined men's driving shoe. For maximum air flow and heightened pedal sensitivity, the Athletic II Mesh has auto-inspired ventilation details and a low-profile TPU outsole.

M Driver's Pant D81111

M Driver's Jacket D81108

M Core Tee D81092

M FullZipTop D81096

Made in Germany, the new Pilot II driving shoe has been crafted of debossed, supple full grain leather for added graphic impact. To support smooth pedal work, there's a low-profile outsole with a padded collar and rounded heel engineered with ADIPRENE® for shock-absorbency.

ELEMENTS

Designed to keep things light on the go, the new Speed Teambag with two main compartments and multiple pockets has waterproof zip closures so valuables stay dry.

M Speed Teambag D81392
M Speed Backpack D81391

Ready for adventure? The water-repellent Speed Backpack offers a unique back panel construction that can be customized for specific back comfort, plus added support features like cushioned shoulder straps and a vertically adjustable chest belt.

M Elements Vest D81191

M Active Tee D81183

M Beach Short D81209

Limited to 500 pieces worldwide, this ingenious high performance Reversible Jacket is breathable, waterproof and 100% windproof. To cope with all types of weather, the black side absorbs the sun's warmth, while the reverse silver side reflects it when temperatures rise – a true industry standout.

Accelerate and conquer the trails in the new flexible and lightweight Easy Trail sport shoe. The specially designed outsole provides grip and agility at top speeds, with a uniquely breathable and soft mesh upper for support and stability.
