

- Go the distance in Adizero: built for lightness and speed -

Reach for the finish line with the **adidas by Stella McCartney** Fall/Winter 2016 Run range. Designed for long-distance runs, go further than ever before with superior, ultra-lightweight Adizero fabric, specifically engineered to enhance speed.

The **Adizero Adios Shoe** ensures the miles fly by, whilst glow in the dark and reflective elements provide optimum visibility from sunrise to sunset. Keep the style stakes high with an all-over floral print, pairing the **Adizero Hooded Longsleeve** and **Adizero Tight** together. For Stella's signature look, layer up with the **Adizero Short**, and stay visible with the **Reflective Gilet**, keeping all belongings safely packed away in the reflective floral print **Back Pack**.
