adidas Originals Tubular Doom PK

The Tubular Doom silhouette receives a striking premium update this month, elevating the boldest member of the Tubular series with a luxury material makeup.

Inspired by the unique blend of style, culture, heritage and craft that embodies the city of Paris, this release sees the Tubular Doom's sockfit upper constructed from a heathered wool mélange Primeknit, structured by premium undyed leather overlays and a perforated heel cage, finished with a tonal forefoot strap and laces, placed atop the Doom's iconic rippled outsole. What results is a bold iteration of Tubular's most fearless silhouette, informed by the timeless essence of a global capital of fashion and culture.

The adidas Originals Tubular Doom PK is available from now on at adidas Originals Flagship Stores, Onlineshop and selected shops.
