### adidas Originals – NMD Monochrome Pack

adidas Originals brings full color-blocking to the NMD model, opening up a world of color possibilities for its groundbreaking BOOST runner silhouette.

Taking a strictly tonal approach to its first color-blocked release, adidas Originals presents three iterations of the NMD\_R1 in top-to-bottom Solar Red, Core Black and Crisp White colorways. Featuring a stretch-mesh construction, every element of the shoe has been rendered in tonal colors, from the heel patch and welded three-stripes to the shoe's iconic BOOST tooling and EVA midsole plugs. The color BOOST has been applied to the NMD model's contemporary classic design, this release is only the beginning in a whole new chapter of NMD.

The adidas Originals NMD Monochrome Pack is available on **February 25th** at adidas Originals Flagship Stores, Onlineshop and selected shops.
