These versatile tractor ranges feature new engines to meet Tier 4B emissions regulations and incorporate a host of new features designed to boost comfort, efficiency and productivity.

The new tractors will be unveiled to visitors in the morning of Wednesday 18th May, with a walk-around presentation by New Holland product specialists.

The company's demonstration plot (no. 22) and its static exhibition stand will feature a range of machinery, including the new FR650 Forager Cruiser, Round Baler, Big Baler, LM telehandler and the W170c wheel loader.

Mark Crosby, New Holland's T5 and T6 tractor product specialist, commented: "We are delighted to be showcasing our latest range of machinery at Scotgrass, particularly our new T5 and T6 tractors.
