ACE IN LACE

COLLECTION

## TENNIS IS — GRACEFUL

Far from delicate, lace becomes a power player in this ultra lively line. Flexible and made-to-move, the textural star of FILA Ace in Lace makes multiple appearances as a contrast color overlay, tonal layer, and peek-a-boo panel too. Factor in flattering ruching, curved v-necks, and sleek stretch jersey fabric, and you've got an exceptionally strong collection with just enough sass. This one's bound to climb the female ranks fast.
