

## Goodyear EfficientGrip range takes podium with great ADAC summer tire results

- **Lauded for its balanced performance and high scores for wet and dry capabilities, Goodyear's EfficientGrip SUV took home the ADAC test win.**
- **The Goodyear EfficientGrip Performance earned the 'Good' label for its abilities in dry conditions and relatively low fuel consumption.**

Tested among 15 of its top competitors, the EfficientGrip SUV was crowned by leading German automotive magazine ADAC as test winner for its well-balanced performance, particularly regarding tire wear, fuel consumption and handling on dry and wet.

For the size 195/65 R15 the EfficientGrip Performance received the 'Good' label. The tire was applauded for its low fuel consumption, dry and wet capabilities and overall balanced performance.

After its four test wins and nine podium places in 2016, the Goodyear EfficientGrip range continues to perform strongly in 2017.<sup>1</sup>

"This recognition shows once again that Goodyear's EfficientGrip range offers some of the best tires on the market." says Martijn De Jonge, Brand Director Consumer PBU EMEA, "demonstrating that our premium performance tires offer great value to the consumer."
