Six Capital in six steps

Invest

Six Capital builds Utility Trading Centers and trains traders who learn on the job.

Train

Traders execute on demo accounts only, with the focus on small, consistent wins.

Collect

Ricebowl®, Six Capital's crowd sourcing platform, analyses the demo trades...

Identify

...and selects the high-probability winning trades, based on its algorithms.

Participate

Six Capital tags winning trades in real time, rewarding successful traders.

Profit

Tagged trades are also offered in real time to external proprietary traders, for a fee.
