The Peninsula Bangkok’s new family travel programme offering 50% off adjoining rooms, complimentary dining, child-friendly activities and insider guides makes family vacations an adventure to remember

Family travel just got a lot more fun this summer as The Peninsula Bangkok introduces “Family Moments”; a programme offering great value and fun for kids of all ages. Ideally located on the west banks of the historic Chao Phraya River, The Peninsula Bangkok is the perfect place for an unforgettable family vacation, and from 1 May until 31 December 2012, Family Moments features a 50% reduction off the cost of an adjoining room for children under 12, who also eat for free from the kids’ menu or buffet. Plus a range of amenities and programmes tailored just for junior guests, including The Peninsula Kids Academy’s collection of cultural and fun activities.

Adventure Upon Arrival

The adventure begins with a scavenger hunt offering behind-the-scenes glimpses of the hotel and special treats to make young guests feel at home. Kids learn what makes a Peninsula special, from the traditional Chinese door lions gracing the entrance and the famous Rolls-Royce and BMW 7 Series limousines, to Peninsula pages, The Lobby and other fascinating details.

Insider Destination Guides For Kid -- By Kids

Who better to give young travellers the inside scoop on each destination than local children? The Peninsula Bangkok consulted the experts and offers families the “Pen 10,” insider’s tips on the 10 best kid-selected things to do, see and experience in the city of Bangkok – from the best park and the best local adventure to where to find the best ice cream or the best playground – and more.
