Dine before or after your visit to Surrender, XS or Tryst nightclubs, or just stay at Andrea's for imaginative cocktails in a sexy atmosphere. Chef Joseph Elevado brings his mastery of Asian flavors while Musical Chef Steve Angello serves up beats in the fun, high-energy setting for an experience you can't find anywhere else.

BOTERO

Star Chef Mark LoRusso creates beyond-the-curve steaks, chops and modern cuisine as bold and voluptuous as the Boteros that grace this poolside space. Reservations suggested. Located adjacent to XS Nightclub.

GAMING AT ENCORE

CASINO SPACE

Encore defies casino convention with a more intimate approach to gaming. The vast, open area that once defined the casino floor is replaced by columned pavilions, canopies and draperies that partition the gaming areas into private chambers. A butterfly motif portends good luck and gives way to the comfortable character of parlor room environments, each equipped with windows overlooking garden or pool views. The natural light in the casino and layers of lighting through columns, chandeliers, and lamps on the tables create an unsurpassed ambiance. In total, Encore offers nine gaming pavilions with 66 tables in the main casino.

TABLE GAMES

The gaming tables at Encore have been designed to bring the dealers closer to the guests, thereby creating a more intimate environment for the game. Encore offers an exciting gaming experience with 95 total table games, including Baccarat, Blackjack, Big 6, Caribbean Stud™, European Roulette, Let It Ride™, Mini Baccarat, Pai Gow Poker, Roulette and Three Card Poker.

SLOTS

Features coinless play. With 860 machines, games include Reels, Video Reels, Video Poker, Video Blackjack, and more.

ISLAND GAMING

Island gaming by the pool features a specialty pit for outdoor gaming with a bar, sitting area and five gaming tables surrounded by the pool. During the day it is integrated with the guests lounging at the pool, and at night it becomes integrated with the nightclub XS.

HIGH-LIMIT GAMING

Encore offers penthouse exclusivity and views from the Sky Casino, a high-limits gaming area with slots, baccarat and a lounge. There are five exclusive gaming salons in the Sky Casino, two with private dining rooms, and each configurable to the guests' specifications.
