The Spa and Salon at Encore

LAS VEGAS — The full-service Spa and Salon at Encore offer the ultimate in personal comfort in an inspiring setting of elegance and luxury. Natural décor elements including sunlight, flowing water and limestone combine with a European-inspired indoor-outdoor service approach that emphasizes the “treat” in treatments.

The Spa at Encore boasts 37 treatment rooms for massage, body treatments, facials and hydrotherapy, including 14 double-occupancy garden suites. At 61,000-square feet, The Spa also features two movement studios which offer spinning, yoga, pilates, conditioning and meditation available for group classes or private instruction. Guests can also utilize the personal training services available on the gym floor.

The Spa’s lavish setting elevates the connection between visual beauty and total wellness, creating a truly full-bodied experience. Our newest ritual, the Nalu Body Ritual, combines a Polynesian fusion massage, body exfoliation and coconut oil scalp treatment that allows you to let go and deeply relax with the scents and sounds of the islands.

Guests will also revel in our signature spa treatment, the Encore Escape. The ultimate indulgence—a 105-minute massage is a mélange of the world’s best massage techniques where guests can escape to an experience that is simply out of this world. Detoxify with herbal infused Thai poultice bags and select Thai stretches, then relax with the warmth of heated stones and rocking and rolling of Hawaiian lomi-lomi techniques. Conclude the treatment by hydrating with a warm cocooning wrap while receiving a scalp massage with Indian Shirodhara oils. Guests can also choose between the Thai Oil Fusion Massage, Fusion Massage, Four-Hand Massage, Aromatherapy and Desert Stone Massages.

The Salon at Encore provides a variety of services from haircuts to bridal up-dos. Treatments are never rushed and can always be tailored to the guest’s needs and interests. The Salon uses the finest product lines including Kerastase, Shu Uemura and Ahava, and features 14 hairstyling stations, eight pedicure thrones, six manicure tables, two makeup stations and a team of talented stylists, colorists, manicurists and makeup artists.

Additionally, the Salon features a private room with two all-purpose styling stations and pedicure thrones. The Salon also accommodates groups, wedding parties and other private gatherings of up to 40 people.
