Steve Wynn Creates an Unparalleled Day-to-Nightlife Experience with Encore Beach Club and Surrender Nightclub

LAS VEGAS--Steve Wynn and nightlife impresario Sean Christie have created an expansive entertainment complex that has set a new standard in Las Vegas and beyond. Encore Beach Club, Surrender Nightclub and SWITCH restaurant blend the daytime beach party, upscale restaurant and sexy nightclub into an experience that transitions guests from day to night.

Encore Beach Club is the premier destination for the trendsetter seeking the quality party atmosphere usually found in European hot spots. Upon entering the 60,000-square-foot venue, guests are treated to a lush oasis featuring 40-foot palm trees surrounding three tiered pools. The deck offers ample seating provided by chaise lounges, couches and day beds featuring private safes. Guests preferring a cooler spot can choose to lounge on oversized lily pads resting in shallow water or dance under one of the shower poles. Encore Beach Club's gaming pavilion beckons those looking to try their luck at blackjack or craps.

A more private Encore Beach Club experience can be had at one of the 26 cabanas outfitted with refrigerators and flat screen televisions. The exclusivity and opulence of the eight bungalows spanning 350 square feet have set Encore Beach Club apart from its predecessors. Offering views of the Las Vegas Strip and of the pool itself, these VIP enclaves feature private dipping pools, showers, lavish furnishings and a temperature-controlled cooling and heating system set to each guest's preferences.

Christie, who opened and operates Blush Boutique Nightclub at Wynn and Society Café at Encore, has created an entertainment platform that will showcase chart-topping acts including world-renowned electronic music artists.

As day turns into night the party moves into Surrender Nightclub where trendsetting DJ Steve Aoki energizes the evenings as Friday night resident and music director. A prominent figure in the emerging electro-dance scene, Aoki takes the crowd to the next level with his dynamic live performance set. Surrender is the chic choice for those seeking an upscale evening soirée. This sensual 5,000-square-foot nightclub opens up to the surrounding outdoor oasis as the seasons allow.

John Lyons Systems, the award-winning lighting and sound firm, has developed a showcase DJ booth and audio system designed to withstand outdoor elements while delivering exceptionally rich, clear sound. Guests are dazzled by the eclectic décor, expansive bar and glass DJ booth featuring technology that can provide individual soundtracks for the nightclub, Encore Beach Club or an all-encompassing vibe for the entire venue. Through the use of innovative lighting technology from Lyons, the various architectural elements are illuminated, creating a striking, animated effect.

Encore Beach Club also features its own grill available to all patrons. Guests can indulge in flavorful fare including fresh salads, hearty sandwiches, wraps and BBQ items while enjoying the vibrant pool party scene.

Sean Christie Operating Partner

As operating partner of the new Encore Beach Club and Surrender Nightclub, Sean Christie continues to set the bar in the evolving Las Vegas industry he helped create. With a passion for his work and more than 14 years experience, Christie is once again changing the profile of the city's daylife and nightlife with his two newest venues at Encore at Wynn Las Vegas.

"My goal is to be the best, and my motivation is driven by the opportunity to walk into a place that I have helped create and be proud of it," says Christie.

Christie joined Wynn in March 2007 to oversee the preliminary planning and design for Blush Boutique Nightclub, completely transforming the space and bringing his unique concept to fruition. Since opening its doors, Blush has continually provided quality service and unique special events. The venue was named Best Ultra-Lounge for 2009 by the Nightclub & Bar Awards.

In 2008, Christie partnered with Chef Kim Canteenwalla and Elizabeth Blau to create a café to add to the expansive line up of top-notch restaurants located at Wynn and Encore. Society Café has experienced continuous success and is known as the place to go for a power breakfast or lunch and an amazing spot to enjoy dinner with Chef Canteenwalla's creative American dishes. It was the only Las Vegas restaurant to be named one of the Best New Restaurants by *Esquire* in 2009.

Never one to rest, in 2010 Christie joined forces with Steve Wynn to create Encore Beach Club and Surrender Nightclub. The lavish 60,000-square-foot venue blends the daytime beach party with a sexy nightclub, raising the bar for pool parties and nightlife in Las Vegas and beyond.

Christie is the founder and owner of Spectrum Marketing Group, a lifestyle marketing company, and Las Vegas Nightlife Group, which operates Blush, Surrender and Encore Beach Club. Prior to opening Spectrum Marketing Group and Las Vegas Nightlife Group, Christie worked with The Light Group, serving as a managing partner and vice president of marketing from 2002 to 2006. Christie was part of the collective effort that created, managed and successfully operated numerous nightlife hotspots in Las Vegas including Jet, Stack, Fix, Mist, Caramel and Light.

A native of Boston, Christie moved to Las Vegas in 2000 and has a life-long background in hospitality. At a young age, he was inspired by his father, who was a restaurateur. At 19, Christie began his path towards success by promoting and managing Boston establishments including Karma Club, Bill's Bar and Avalon.
