Dylan Murcott leads the drivers in the Gallardo class, with Thomas Pichler behind him in the No. 63 STR Gallardo entry representing Lamborghini Dallas. The two split wins at Mazda Raceway Laguna Seca.

The Huracán LP 620-2 Super Trofeo adopts the V10 direct injection engine mounted on the road car, managed by a Motec control unit that delivers a maximum output of 620 horsepower. The 570-horsepower, V10 Lamborghini Gallardo LP 570-4 Super Trofeo features impressive technology such as paddle shift E-gear transmission, Öhlins race shocks, Brembo brakes, a carbon fiber aerodynamic package that includes a rear wing with 10 adjustable positions, MTA data acquisition, air jacks, center wheel locks and more.

Lamborghini and its dealers entertain VIP guests at every Lamborghini Blancpain Super Trofeo North America in the Lamborghini and Blancpain Village, which features lavish hospitality and amenities.

Highlights from Rounds 3 and 4 will be televised from 10-11 p.m. (ET) Wednesday, July 8 on CBS Sports Network as part of a series television package unveiled this week that features coverage of all 12 rounds this season and the World Final at Sebring International Raceway. ### Blancpain - Innovation is our Tradition

Founded in 1735 by Jehan-Jacques Blancpain in the Swiss Jura, Blancpain is the world's oldest watch brand. Loyal to its tradition of innovation, confirmed by countless horological complications invented over the years, this same spirit of inventiveness continues to drive the master-watchmakers of the Manufacture. Determined to move beyond the borders of its legacy, Blancpain is constantly regenerated as it pushes the frontiers of watchmaking in perpetually enhancing its timepieces.

Today, Blancpain pursues its enduring commitment to the renewal of mechanical horology, steadily passing on exceptional expertise from one generation to the next by constant investments in human resources, production technologies and research. This approach is the source of its strength and expresses a long-term vision deliberately running counter to any tendency to seek immediate profit.

From creating components to designing watches, Blancpain is distinguished by its capacity to develop exceptional timepieces and over the past ten years, the Manufacture has introduced no less than 35 new calibres.

This philosophy is conveyed through each of the brand's creations and all its collections: from the classic Villeret to the legendary Fifty Fathoms diver's watch, as well as Grandes Complications from the Le Brassus collection and the sporty L-evolution line -

while naturally never forgetting its Women models.
