

HOODED SWEAT JACKET

PUMA's HOODED SWEAT JACKET is the ultimate tribute to the fastest man in the world. The back features the USAIN BOLT CREST designed by Bolt himself. The crest includes his nickname "Lightning Bolt", the iconic lion's head symbol of Jamaican culture, and the track he calls "The Office." Bolt has inspired every detail of this jacket from the "To Di World" pose on the chest to his name on the hood and the lightning stripe stitching of the sleeves. Functional for training, the jacket is soft, lightweight, and made of the U.S.P. moisture management fabric. The Kangaroo pocket has a hidden compartment for your mp3 player and an eyelet for earphones. This signature piece comes in gray or black with gold and purple accents.
