

## LS TOP

The "To Di World" pose dominates the center of the PUMA LS TOP. A running-inspired back panel, articulated sleeves, and stretchable material allow you to move freely. The "Ice Cool" U.S.P. performance fabric is highly breathable and protects against overheating by maintaining an even body temperature during training. Silver reflective U.S.P. logo on the back enhances visibility in low light conditions. Comfortable, functional, and bold, LS TOP makes a statement whatever your sporting style.
