

PR PURE TECH S/S TEE

Style Number: 512652 01

Material: 100% Polyester

The PR Pure Tech S/S Tee is designed to compliment the **IGNITE** running shoe to create the most responsive run.

The tee features PUMA coolCELL materials that draw sweat away from the skin to create superior temperature regulations during exercise.

The technical tee features raglan sleeves for increased freedom of movement. Additionally, engineered mesh in the back of the tee improves air circulation at critical heat zones.

Finally, reflective logos provide enhanced visibility in low light conditions. Matching the entire **IGNITE** collection, the colors of the tee pull inspiration from the movement of a comet.
