The **IGNITE** L/S tee is created with the goal of running faster. Designed to complement the **IGNITE** running shoe's responsive ride, this long sleeved shirt is engineered for freedom of movement with its raglan sleeves.

For the optimum running experience, jacquard mesh is located in primary heat and sweat zones in the back to create improved air circulation and comfort.

The reflective logos create an enhanced 360 degrees of visibility in low light conditions. Finally, the colors draw inspiration from the speed and movement of a comet, as seen in the rest of the **IGNITE** collection.
