SS14 CONSORTIUM - BLVCK SCVLE

adidas Originals is partnering with Black Scale, a San Francisco-based streetwear brand, for this exclusive limited edition collaboration.

The collaboration includes the ZX 7000, Forum Hi and a BMX-inspired long sleeve. Each piece of the collaboration features a vibrant camouflage print. Black Scale added their unique take on two adidas Originals classic silhouettes and an original BMX long sleeve for a one-of-a-kind collaboration.
