

Original Superstar – Influencer Bio – Pusha T

Pusha T creates for an audience of one.

Pusha T (born Terrence Thornton) is a recording artist originally from Virginia Beach, Virginia. He is also the co-founder and co-CEO of Re-Up Records. In September 2010 he announced that he had signed to Kanye West's G.O.O.D. music. Following this signing, he was featured on a number of label-mates' projects such as *My Beautiful Dark Twisted Fantasy* and many of the *G.O.O.D. Fridays* tracks. On March 21, 2011, he released his first solo mixtape, *Fear of God*, followed by *Fear of God 2: Let Us Pray*. In 2013 G.O.O.D. released Pusha T's official debut album, *My Name Is My Name*, with features from 2 Chainz, Kendrick Lamar, and more.
