

Original Superstar – Influencer Bio – VJ Mian

VJ Mian creates for an audience of one.

Mian, Chinese name Luna Tang, is a visual artist and film enthusiast. Mian has sharp instincts for visual design and a great passion for live performances. She has years of experience shooting documentary films and making experimental videos, and she has performed in many large-scale music festivals and live art-shows as a professional VJ. While she explores modes of expression through visual forms, Mian has also participated in other fields such as multi-media interactive installation design and art gallery design. Through her art practice Mian conveys her emotions to her audience, constantly presenting new insights.
