

- Find your flow in seamless separates designed for ultimate freedom of movement -

Keep the style stakes high in the **adidas by Stella McCartney Yoga** range, featuring dynamic bamboo prints and powerful shades of orange, green and purple. Yogis find their flow with this season's seamless separates, featuring ClimaLite technology designed to keep the wearer cool and comfortable.

Master any pose in the new **Yoga Clima Bamboo Tight**, infused with ultra-high wicking, fast drying and lightweight Meryl Hydrogen fabric, for ultimate freshness during the most intense sessions. Pair with the **Yoga Seamless Tank** with racer front and back, and create Stella's signature layered look with the **Essential Knit Short**.

Meanwhile, the **Yoga Seamless Tight** designed with lux shine yarns, provides a perfect fit and temperature regulation thanks to supreme seamless structures and knitting techniques. Create signature layering looks to and from the studio with the **Cupro Jacket**, a bomber silhouette featuring a beautiful seasonal bamboo print and a ribbed stand up collar.

Cool down after class and take the plunge in the **Performance Swimsuit**. Designed with a tight fit performance silhouette to support enhanced speed, it features an all-over leopard print inspired by the relentless drive of wild animals.
