### adidas Originals by BAPE® and NEIGHBORHOOD

adidas Originals joins forces with two heavyweights of Japanese streetwear this month, working with BAPE® and NEIGHBORHOOD on a strictly-limited version of the Superstar BOOST silhouette.

True to the classic-meets-contemporary essence of the Superstar BOOST design, the release elevates the model through a number of striking touches, featuring a sock-fit Primeknit construction with premium suede overlays and the shoe's essential shell-toe. An understated grey base palette is countered with black contrast details including leather serrated 3-stripes, a branded woven heel-pull and embroidered BAPE® and NEIGHBORHOOD branding, placed atop a classic Superstar midsole with concealed BOOST, revealed only by the shoe's signature window on the medial side.

Releasing February 4th exclusively at selected retailers.
