adidas Originals – Iniki Runner

adidas Originals continues the Iniki Runner's inaugural season this month presenting new color treatments of the modern-retro running silhouette.

Retaining the shoe's original materialway, the new iterations feature a stretch-mesh upper with concealed sock-fit lining, structured with vintage suede overlays and tumbled leather serrated 3-stripes marks. Placed atop a BOOST midsole with rubber outsole, the result is a striking blend of classic design and contemporary tech. Offered in clear onix and solar yellow for women and white and pearl grey for men, the release culminates as two of the Iniki Runner's boldest editions yet.
