OG Tracksuit

In a special release commemorating a piece of history of the 3-Stripe mark, adidas Originals has created a one-to-one reproduction of its original mid 70s tracksuit.

The tracksuit with the 3-Stripe mark is an integral piece from the Adidas archive, informing everything the Brand with 3-Stripes would endeavor to create in the years that followed. Using the original specifications, this release faithfully restores the 3-Stripe tracksuit in its original glory, featuring a polyester construction combined with tencel and cotton for optimum comfort and breathability. Branding is supplied through classic details of 3-Stripe mark on the sleeves and legs, whilst an embroidered linear Trefoil logo badge on the left chest and thigh solidifies the classic aesthetic of the release.

The tracksuit has been rendered in a striking legend ink/bold orange colorway that pays homage to the unfaltering color palettes of 20th century sportswear, whilst exclusive box packaging complete with a story inlay card completes the celebration of a timeless classic.

Releasing June 2nd and limited to just 2000 individually-numbered pieces, the return of the original adidas tracksuit is a true collector's piece, and a testament to the enduring legacy of adidas sportswear design.
