CAMPUS PACK

adidas Originals presents two new takes on the enduring Campus silhouette for this season. Ready for the summer months, the iconic casual model is reimagined in two bright colorways for men and women.

The latest release retains the Campus model's original materialway, featuring a nubuck upper with leather overlays such as serrated 3-stripes marks and heel panel. For men, the shoe assumes a bright, seasonal hue through a bold aqua upper with contrast white overlays atop a crisp cream tooling, whilst the women's iteration takes a softer, tonal approach, featuring a tonal grey upper atop a clean, translucent icy pink tooling. Finished with essential details including Campus branding on the lateral side, the result is a refreshing take on a 3-stripes classic in some unexpected colors, just in time for summer.
