

Information

Campus W

The Campus silhouette steps out in a women's exclusive colorway this month, donning a softer palette for the summer.

Featuring the shoe's original materialway, the latest Campus release features a nubuck upper construction with contrast leather overlays including serrated 3-stripes marks and heel-tab, placed atop a classic white rubber cupsole. The shoe's earthy clear brown colorway brings the understated appeal of the Campus silhouette to the fore, creating a clean, accessible everyday model for every outfit during the warmer months.
