Superstar 80s

adidas Originals' iconic Superstar 80s silhouette gets a brand new treatment for FW17 which brings the shell-toed sneaker back to its roots on the streets. In a truly premium approach, the release sees the Superstar 80s' upper rendered in nubuck with oiled-suede 3-stripes mark, placed atop the iconic Superstar cupsole model. Gold branding details on the lateral ankle and tongue stay true to the shoe's enduring aesthetic, complemented by a metallic gold sockliner. In tribute to the Superstar's roots on city streets, the shoe is rendered in a clean Grey colorway with subtle tonal contrasts. The result is a fitting tribute to a shoe that formed the foundation of modern street culture.
