

# adidas Golf Reveals Chaska Edition TOUR360 Boost

## Limited Edition Footwear Release Celebrating Team Europe and Team USA

Golf is full of great traditions. But every other year we are treated to an event unlike any other in the sport. The best players from the USA go to battle with their rivals from Europe and a few days of heated competition on the golf course produce enough drama, pride and passion to fuel the fires of the winners and the losers for the next 727 days.

To celebrate, adidas Golf has launched two Chaska edition TOUR360 Boost, for the US and Europe, each design embodies all of the modern features necessary to perform at the highest level on one of the game's greatest stages with details that give a nod to the competition's past.

Both editions are now at [www.adidasgolf.ca](http://www.adidasgolf.ca)
