

Information

Crazy Faces

For Fall/Winter 2017, adidas Originals celebrates the unhumble acts of its creators with an upcoming re-release of the Crazy sneaker. Aggressive in attitude and design, the basketball-inspired footwear proudly looks and behaves nothing like its predecessors. To celebrate the bold and uninhibited comeback of Crazy, adidas Originals tapped 21 Savage, Playboi Carti and Young Thug as the faces of this provocative shoe. The rappers' individuality, style and creative work identify with the challenging spirit of the footwear. Establishing a new standard, the artists have become icons for a new generation and embody the unapologetic disposition of Crazy.
