

Information

Montreal 76

For SS18, adidas Originals brings back an archive classic; the Montreal 76. Originally created as an all-purpose training and lifestyle shoe for athletes in the Montreal 76 Olympics.

This season, the reissue Montreal 76 shoe has been built to create a perfect replica of the original shoe which can be seen in the OG navy blue upper and Argentina blue 3-Stripe mark of the CQ2175 silhouette; whilst the second silhouette takes on an updated monochrome colorway of black upper and bold white 3-Stripe mark detailing. The Montreal 76 maintains its striking, brown rubber foxing tape with collapsible heel counter and perforated round toe in both silhouettes.
