Prophere

A brand new silhouette for 2018, adidas Originals is proud to introduce an updated colorway in the disruptive, street-ready Prophere silhouette pushing footwear design further than ever before.

A one-piece, a Grey soft knit upper forms the base of the shoe, structured by an enlarged Grey 3-stripe mark that acts as the shoe's lacing system, finished with a structural heel cage and reinforced tongue. This is then placed atop an aggressive White midsole with fluid lines and dynamic texture, whilst embroidered details across the shoe's medial side add a final hit to the shoe's distinctive design.
