

STELLA McCARTNEY

EMBARGO AUGUST 2<sup>nd</sup> 2018

**adidas by Stella McCartney Run range: Brace the chill in winter warmers**

Layer up for winter and be ready come rain or shine in **adidas by Stella McCartney Fall/Winter 2018 Run range** – perfect for training outdoors in the cooler months.

Control your temperature and feel fresh in the Climaheat **Run Ultra Long Sleeve**, a modern, tech-inspired, feminine structure designed to go the distance.

Rock this season's Ready-to-Wear-inspired style cues in the **Run Long Tight**. Featuring shiny wet look fabric and reflective snake tape detailing, these are built with a bonded waistband construction and draw-cord for the ultimate fit. Layer up the look with the lightweight **Run Adizero Short**, anatomical-shaped for motion fit and featuring an ultra-light mesh waistband; a winning formula for any race shorts.

Meanwhile, achieve full protection from the elements in the Climastorm **Run Ultra Jacket**, and forget being limited by your environment in the **UltraBOOST X ALL TERRAIN shoes**. Engineered for any condition, explore all terrains in this laceless, futuristic design made with a recycled polyester yarn upper. The height and outsole make this shoe perfect for running in wet conditions, while its floating arch and primeknit upper hugs and adapts to your gait.
