

adidas + KANYE WEST announce the YEEZY BOOST 700 Multi Solid Grey/Chalk White/Core Black

AUGUST 2019 – adidas + KANYE WEST announce the YEEZY BOOST 700 Multi Solid Grey/Chalk White/Core Black. Following a pre-launch at 10am EST on August 12, 2019 at adidas.com/YEEZY and YEEZY SUPPLY, The YEEZY BOOST 700 Multi Solid Grey/Chalk White/Core Black full family will release in select retailers on August 17, 2019, with a recommended retail price of \$300 adult, \$180 kids, \$150 infants.

The YEEZY BOOST 700 features an upper composed of grey and black suede overlays and premium leather with blue mesh underlays and reflective heel and Three Stripe details. The full-length drop in boost midsole provides comfort and stability.

A full list of retailers and locations can be found at adidas.com/YEEZY.
