WATCH: Tyshawn Jones and Friends Jump Out Of A Plane For Hardies Hardware SS19 Release

<https://youtu.be/3g6Job5dPNA>

adidas Skateboarding recently revealed its second capsule collection with Hardies Hardware—a clothing and accessories brand created by adidas Pro rider *Tyshawn Jones* and friends. In support of the drop, Jones and his crew take the collection out for a spin in free fall, thousands of feet above the ground. The short clip debuts all six pieces of the capsule worn by *Jones*, fellow adidas team-rider *Jake Donnelly*, *WHO KID*, *Troy Stillwell*, *Val Perre* and *Justin Casado*.

The limited-edition collection is available now via specialty adidas retailers worldwide and the adidas Skateboarding website.
