

Case Motor Graders Awarded with Gold Medal at Interimasz 2015 in Poland

Case Construction Equipment has been awarded with the Poznan International Fair Gold Medal at Interimasz 2015, Poland's largest exhibition of construction machinery, vehicles and specialized equipment for the infrastructure sector that was held in Poznan from May 6th to 9th. The award was conferred for the new C Series of motor graders which took centre stage at the Case stand.

Turin, 22 May 2015

The 2015 edition of the Poznan International Fair Gold Medal competition awarded the Case C Series, the first European range of motor graders branded with Case livery. The Gold Medal and the Diploma were handed over to Robert Wrona during the official award ceremony held on May 6th. Case was also recognized with the Acanthus Aureus award for the Best Stand which rewards its architectural and graphic solutions that fostered direct communication with customers and emphasize the positive image of the company.

With more than 30 years of history, the Gold Medal competition is one of the most prestigious in Poland. This recognition is granted, after rigorous evaluation by top experts in the construction sector, to the highest quality products based on their innovation level, efficiency, operations costs, quality of the materials, usability, impact on the environment and even aesthetics.

Officially launched at Intermat 2015, Case C Series motor graders are the culmination of more than 30 years of development and outstanding grader design. The range offers two models with operating weights of 13 and 16 tonnes and it is available in 6x4 and 6x6 All Wheel Drive versions that match customers' key requirements of low operating costs, controllability and flexibility.
