

Magirus delivers 67 Light Forestry Vehicles to Bulgaria

On 25 February Magirus delivered 67 Light Forestry Vehicles to the Chief Directorate of Fire Safety and Civil Defence (Ministry of Interior) of Bulgaria. A second delivery of 67 Medium Forestry Vehicles will follow in March. The contract covers an amount of 16 million €.

Ulm, 27 February 2014

With a handover ceremony in Sofia 67 Light Forestry Vehicles, Class L, Category 3 were delivered to the Chief Directorate of Fire Safety and Civil Defense (Ministry of Interior) of Bulgaria. Based on a Iveco Daily chassis, Magirus delivered a state-of-the-art firefighting vehicle with full cross-country mobility. A symbolic key was given to Iskra Mihaylova, Minister of Environment and Water during the presence of the ambassador of Germany in Bulgaria, Matthias Hoepfner, and Magirus CEO Antonio Benedetti.

Specification the Light Forestry Vehicles:

Chassis: 4x4, single cabin, single tires, 170 HP, GVW 5,5 ton, wheelbase 3400 mm
Superstructure: Alu Fire Body, 1000 L water, 100 L foam, Magirus Portable Pump TS 10 with primatic priming system, Pump & Roll, Hose reel with hose and branch pipe, sprinkler self protection system for cabin & superstructure & tires, Foad admixing system, protection grids for the beacons

Additionally 67 Medium Forestry Vehicles, Class M, Category 3, will be delivered by Magirus within March. Both deliveries cover an amount of 16 million €. The project "Technical provision of the operative structures GDPBZN - Mol for firefighting against forest fires" was financed by the programme "Environment 2007 - 2013" in Bulgaria.
