

CASE, Miller-Bradford & Risberg, and Paladin Attachments Assist Team Rubicon in Heavy Equipment Operator Training; Building Demolition at Patriot Exercise 2016

Racine, Wis., August 8, 2016

[CASE Construction Equipment](#) and [Miller-Bradford & Risberg](#) provided equipment and product/training support to [Team Rubicon](#) as part of Patriot Exercise 2016, a full-scale training exercise at Volk Field Air National Guard Base July 16 – 23, 2016. Team Rubicon provided Incident Management Team support, as well as field-based response support through damage assessments, and chainsaw and heavy equipment operations/training.

Miller-Bradford and CASE provided [skid steers](#), [excavators](#) and [compact excavators](#), as well as training support, while [Paladin Attachments](#) supplied skid steer grapple buckets, for Team Rubicon's heavy equipment training program. A total of 89 Team Rubicon members participated in the event with 15 of those participating in the heavy equipment program. Training focused on the safe operation and maintenance of equipment, followed by operator proficiency training involving clearing brush and debris, and building demolition – core elements of Team Rubicon's disaster response work.
