

Compact Farmall® C Series

4 Models, 32-46 (PTO: 26-37) Engine Horsepower: The compact Farmall C series are deluxe compact tractors, providing an exceptional operating experience in a compact package.

Key Features of the Compact Farmall C Series Tractor

The 35C, 40C and 50C now come with the option of a cab or ROPs configuration. The new cab option gives producers more comfort in all weather conditions.

Other features include

- Larger operator's platform offers easier access and exit
- Deluxe seat features adjustable backrest, armrests and mounts on an inclined plane for taller operators
- Excellent all-around visibility from the operator's seat
- Improved rear visibility to drawbar, PTO and 3-point hitch
- Larger 17.5L-24 R4 industrial tire offering on Class 3 models
- Improved control layout and placement
- Easy routine maintenance
- Loaders and implements for various applications

Current Models:

- **Compact Farmall® 30C:** The compact Farmall 30C is an efficient and simple to use machine designed with the operator in mind. The turbocharged engine delivers 33 horsepower and 26 PTO horsepower.
