

CASE Extends Standard Full-Machine Warranty on Skid Steers, Compact Track Loaders

Racine, Wis., November 6, 2017

[CASE Construction Equipment](#) has extended its standard, full-machine warranty on all skid steers and compact track loaders to two years, 2,000 hours (up from one year, 1,000 hours). The new full-machine warranty applies to all models in both product lines, with skid steers ranging in operating capacity from 1,300 pounds up to 3,400 pounds, and compact track loaders rated from 2,700 pounds up to 3,800 pounds.

“The new standard warranty reflects several enhancements made to the product line to improve performance and reliability,” says John Dotto, brand marketing manager, CASE Construction Equipment, “It signals our commitment to quality as we continue to evolve both product lines.”

For more information on the full line of CASE skid steers and compact track loaders, visit [CaseCE.com](#).

###
