

CASE Construction Equipment wins Equipment India Award for sixth consecutive year

Eight senior industry experts judge CASE Construction Equipment as the best in the compaction equipment category

November 1, 2018

CASE Construction Equipment has won in the compaction equipment category at the Equipment India Awards for the sixth consecutive year. The award was presented, at a ceremony and Global Leaders forum in New Delhi.

Winners of the Equipment India Awards were determined by an 8-member jury comprising senior industry experts, company leaders and directors, business consultants, and a research professor. The annual awards are organized by Equipment India magazine, published by ASAPP Info Global Group, which is dedicated to the construction and infrastructure equipment industry.

Mr. Ajay Aneja, Brand Leader, CASE Construction Equipment India commented: "CASE India is very proud to be honored in this way for the sixth year in a row which is testament to the high quality of our equipment, as well as to the innovation in our products and manufacturing processes. During our 28-year long journey in India, CASE has always worked hard to meet its customers' expectations with world-class equipment and customer support, and so it is rewarding to see these efforts recognized by the industry's experts."

CASE Construction Equipment sells and supports a full line of construction equipment around the world, including the No. 1 loader/backhoes, excavators, motor graders, wheel loaders, vibratory compaction rollers, crawler dozers, skid steers, compact track loaders and rough-terrain forklifts. Through CASE dealers, customers have access to a true professional partner with world-class equipment and aftermarket support, industry-leading warranties and flexible financing.
