

CASE India wins CIA World Construction & Infra Awards in four categories

- *Best Company in Earth Moving Equipment*
- *Best Company in Road Construction Equipment*
- *Best Construction Equipment Company in Quality, Innovation & Service categories*
- *Hall of Fame excellence*

New Delhi, February 26, 2019

CASE India has won awards in the following categories of Best Company in Earth Moving Equipment, Best Company in Road Construction Equipment, Best Construction Equipment Company in Quality, Innovation & Service at the CIA WORLD Construction & Infra Awards 2019. The brand won a further Hall of Fame excellence award. The awards were presented by the Honorable Shri Vijay Shivtare, Minister of Water Conservation, Government of Maharashtra, at a ceremony held in Mumbai.

Mr. V. Ravichandran, Head - Operational marketing & Training and Mr. Ashish Pradhan, Network Operations Manager received the awards on behalf of CASE India in the presence of industry leaders.

Winners of the CIA WORLD Construction & Infra Awards 2019 were determined by an eminent jury comprising senior industry experts. Construction Infrastructure Architect World is a leading B2B construction magazine, often referred to as CIA World magazine.

Acknowledging the recognition, **Mr. Ajay Aneja, Brand Leader, CASE Construction Equipment India** said, "CASE India is proud to be honoured in four different categories. Awards like these not only recognise our consistent efforts of providing the best market solutions to our customers, but also inspire us to continue working harder towards ensuring our customers' success."

CASE India is a leading company in the construction equipment segment and the only company to achieve the milestone of delivering more than 12,000 Vibratory Compactors in the country. CASE compactors are known for their unmatched reliability, excellent fuel efficiency, high centrifugal forces and all-round visibility. Market leadership of CASE India in the compaction series is defined by the 752EX (9T Class Vibratory Tandem Compactor) and 450DX (3 T class Mini Tandem Compactor) for Asphalt application and 1107EX (11 T Class single drum compactor) for Soil compaction application. CASE India has also recently launched 1110 EX- D Soil Compactor (12T Class – Powered by FPT engine developing 110HP) equipped with Air conditioned ROPS/FOPS cabin catering to operator's comfort and safety.

CASE India also has a market leading range of Loader Backhoes – 770EX, 770EX Magnum and 851EX, Motor Graders – 845B and 865B, Dozers – 1150L, 1650L and 2050M and Skid Steer Loaders – SR130.

CASE India offers robust Aftermarket Solutions support to its customers through an extensive network of some 74 dealers and three company-owned showrooms with more than 240 touchpoints spread across the length and breadth of the country.

CASE Construction Equipment sells and supports a full line of construction equipment around the world, including the No. 1 loader/backhoes, excavators, motor graders, wheel loaders, vibratory compaction rollers, crawler dozers, skid steers, compact track loaders and rough-terrain forklifts. Through CASE dealers, customers have access to a true professional partner with world-class equipment and aftermarket support, industry-leading warranties and flexible financing.
