

A man with a beard and short brown hair is standing in front of a wall made of grey wooden shingles. He is wearing a white FILA headband, a dark blue polo shirt with a white collar and a small FILA logo on the chest, and a white and red color-blocked long-sleeved shirt underneath. He is also wearing white pants and a black wristband on his left wrist. The FILA logo is visible in the top right corner.

TENNIS IS TIMELESS

With over a century of experience under its belt, FILA has made a name for itself as the creator of iconic designs celebrated in the worlds of sport and fashion alike. Our Heritage collection relishes that pedigree, offering a selection of styles synonymous with timeless FILA looks. And yet, while some elements like our red, white, and blue color blocking and F-logo buttons feel plucked out of history, others, like our moisture wicking fabric and striped drawcords—are a completely fresh update on what it means to wear FILA in the 21st century. It’s a beautiful melding of the past with the present that inspires every true tennis lover to have a piece of FILA Heritage in his closet.
