

FIDELITY INVESTMENTS® Business Update

Fidelity's unique combination of businesses gives us the financial and operating stability to deliver resilient business results during both bull and bear markets. This, in turn, allows us to keep our primary focus where it has always been: strengthening and securing the financial well-being of our individual customers and business-to-business clients."

– Abigail P. Johnson, Chairman and CEO

CUSTOMER INNOVATION HIGHLIGHTS

We expanded our youth offering with the Fidelity Youth™ mobile app for iOS and Android, built for teens ages 13-17 to make, manage, and invest their own money while letting parents stay connected with a parallel experience.

We premiered season two of *Bright Ideas*. Influencer Rod Thill teamed up with Fidelity investment professionals in this web series to provide next gen individuals with relatable approaches to understanding a variety of financial strategies.

Early access to Fidelity Crypto® for Wealth Managers went live in Q3, integrating crypto trading into the existing advisor workstation⁷.

Workplace Investing continued to deliver an exceptional client experience, achieving a 99.23% Green Client Score⁸ and processed more than 1.5 billion transactions with 99.997% Defined Contribution processing accuracy in the third quarter.

We continued to advance Fidelity's digital tools. Since launching in early 2022, the reimagined award-winning Fidelity mobile app has surpassed 9 million users⁹, up 196% year-over-year.

⁷ Fidelity Crypto® is offered by Fidelity Digital AssetsSM.

Crypto as an asset class is highly volatile, can become illiquid at any time, and is for investors with a high risk tolerance. Crypto may also be more susceptible to market manipulation than securities. Crypto is not insured by the Federal Deposit Insurance Corporation or the Securities Investor Protection Corporation. Investors in crypto do not benefit from the same regulatory protections applicable to registered securities.

Neither Fidelity Brokerage Services nor National Financial Services offer crypto nor provide trading or custody services for such assets.

⁸ Green Client Score is an overall assessment of client servicing health, incorporating both quantitative and qualitative inputs tracking recordkeeping service across contacts and interactions, problem resolution, and overall quality.

⁹ Count of Flagship Mobile users who have accepted the New Experience of the app, and have not chosen to go back to the classic version, based on their last visit as of September 30, 2023.
