

PRODUCT DESCRIPTION

G Organic is a USDA certified organic sports drink designed to help athletes perform at their best during athletic activity. Formulated for athletes who are seeking an organic hydration and fueling solution, G Organic is composed of just seven ingredients (water, organic cane sugar, citric acid, organic natural flavor, sea salt, sodium citrate and potassium chloride) and has the same levels of carbohydrates and electrolytes as Gatorade® Thirst Quencher.

FLAVORS

Lemon, Strawberry and Mixed Berry

NUTRITIONAL INFORMATION PER SERVING (1 bottle/16.9-oz. serving)

- **Carbohydrates:** 30 g carbohydrates to stimulate rapid fluid absorption and fuel the active body
- **Electrolytes:** 230 mg sodium and 65 mg potassium to help replace what is lost in sweat
- **Calories:** 120

AVAILABILITY

Nationwide this fall in select grocery, natural and convenience stores and online at gatorade.com and amazon.com

SUGGESTED RETAIL PRICE

\$1.69 for a single 16.9-oz. bottle

For maximum performance throughout training or competition, athletes can choose from the following:

- **Gatorade Prime®** (*Gatorade Prime Sports Fuel Drink, Gatorade Prime Energy Chews and Gatorade Prime Fuel Bar*)
Energy designed for athletes. Be ready, start strong.
- **Gatorade Perform®** (*Gatorade Thirst Quencher, low-calorie Gatorade G2® and G Organic*)
Carbs to compete, electrolytes to replenish. Helps athletes replace what they sweat out.
- **Gatorade Recover®** (*Gatorade Recover Protein Shake, Gatorade Recover Whey Protein Bar and Gatorade Recover Whey Protein Powder*)
Protein and carbs to fuel muscle recovery. Helps bring muscles back to life.
