Latest Information for the media - IOC Executive Board Meeting and 144th IOC Session in Costa Navarino, Greece

1) GENERAL INFORMATION

The 144th IOC Session will be held from 19 to 21 March at Costa Navarino in Greece (the “**IOC Session**”), with the opening ceremony to be held on 18 March. It will be preceded by a meeting of the IOC Executive Board (EB) on 17 March.

Among other key topics, the 144th IOC Session will include the election of the 10th IOC President. [More information about the nine IOC Presidents and historical election data can be found on this page.](#)

The IOC Session and the meetings of the Executive Board will take place at the House of Events building, within the Romanos Resort in Costa Navarino, in the Peloponnese region of Greece.

The Romanos Resort is joined to the Westin Resort where the Media Centre for the 144th IOC Session will be located. The Romanos Resort and the Westin Resort together make up the Costa Navarino Resort.

The opening ceremony of the 144th IOC Session will take place roughly 100km away at Olympia.

2) ACCREDITATION

The media accreditation process is now complete. Accredited media representatives have received confirmation emails from the IOC Press Office. If you have any questions, please contact pressoffice@olympic.org.

Media accreditation cards will be distributed on site in Costa Navarino, at the Media Accreditation Desk, located inside the main entrance of the Media Centre at the Westin Resort. Media will be able to enter the Westin Resort, where they will be guided to the Media Centre to collect their accreditation on arrival.

Accreditation cards will be distributed only upon presentation of a valid passport or other form of ID. The Accreditation Desk will be open daily from 17 to 21 March.

Media Accreditation Desk Opening Hours:

Monday 17 March	8 a.m. – 6 p.m.
Tuesday 18 March	8 a.m. – 6 p.m.
Wednesday 19 March	8 a.m. – 6 p.m.
Thursday 20 March	8 a.m. – 6 p.m.
Friday 21 March	8 a.m. – 12 p.m.

Please note that all times are local (EET).

3) VISAS AND IMMIGRATION

As Greece is a member of the European Union, media from all European Union member nations and associate nations can enter Greece without a visa to work there.

The link below is the official Greek Government list of which countries require a visa to enter and work in Greece: [Countries requiring or not requiring a Visa - Visas for Foreigners traveling to Greece](#).

Media representatives should have requested a visa invitation letter through the registration portal and applied for a valid visa to enter Greece.

Customs and Logistics for Media Representatives entering Greece with equipment

Greece is a party to the Customs Convention on the ATA Carnet, which is an International Uniform Customs document and permits duty free temporary admission of goods into a member country without the need to raise a customs bond, pay duty or fulfil other customs formalities.

For more information, please refer to [ATA Carnet - ICC - International Chamber of Commerce](#).

4) ACCOMMODATION

Accommodation options in the Costa Navarino area are limited, as many hotels are closed in March during the tourism off-season.

The IOC's local partner, AFEA Congress, secured a number of rooms in dedicated media hotels. However, please note that the deadline to book accommodation in the official hotels has now passed.

Media can also source their own accommodation in local hotels or by renting local accommodation. The closest town with a greater variety of accommodation options is Kalamata, which is 53km and a one-hour drive from Costa Navarino.

5) TRANSPORT

The main arrival airport for media will be Athens International Airport, which is 300km from the Costa Navarino Resort and between three-and-a-half and four hours by car. Media will have to arrange their own airport transfers from and to Athens Airport.

There is the smaller Kalamata International Airport, which is 45km and around one hour by car from the Costa Navarino Resort. However, this airport has very limited flight options in March.

There will be a media bus shuttle service which will call at the media hotel clusters from 17 to 21 March. Below is the shuttle schedule for transfers from media hotels to Costa Navarino:

- Kleopatra Inn → Pick-up at 7.25 a.m.
- Lagouvardos Village → Pick-up at 7.45 a.m.
- Faros Luxury Suites → Pick-up at 8.05 a.m.

The shuttle will arrive at Costa Navarino at 8.30 a.m.

For return trips from Costa Navarino to the media hotels (Kleopatra Inn, Lagouvardos Village and Faros Luxury Suites), the shuttles will depart at the following times each evening:

- Monday 17 March at 8 p.m.
- Tuesday 18 March at 7 p.m.
- Wednesday 19 March at 8.30 p.m.
- Thursday 20 March at 8.30 p.m.
- Friday 21 March at 2.30 p.m.

There will be a number of media parking spaces at the Costa Navarino Resort for media travelling by car. Because of the limited number of parking spaces at the resort, media are advised to car share where possible. Media representatives who requested parking passes should have received them via email from the IOC Corporate Events and Services team.

The media shuttle arrival and departure point and the media parking area will be adjacent to the Westin Resort Reception within the Costa Navarino Resort. On arrival at the Westin Resort Reception, media can walk along the perimeter road to reach the Media Centre (a five-minute walk downhill) or use one of the media golf carts.

Interpretation in English and French will be available via headsets available from the Media Information Desk. Journalists who cannot attend in person will be able to join the press briefings remotely via Zoom, and will be able to ask their questions remotely. All press briefings will also be live-streamed on [IOC Media YouTube](#).

Mixed Zone

There will be a general Mixed Zone located outside the IOC Session room in the House of Events for short interviews during coffee breaks and before the start of each day. Media will require a supplementary access device to reach this area, which they can request at the Media Information Desk in the Media Centre. Media can then request interviews in this location through the IOC Media Relations Team.

Media Access to the IOC Session room

Media will be able to follow the 144th IOC Session live on their own devices as it will be live-streamed on [IOC Media YouTube](#).

There will also be some additional closed circuit TV screens within the Media Centre workspace.
