

## DRIVE-IN

In Europe, their number has doubled in just one month. Europe's largest, with 45,000 m2, has just opened in Spain

## MUSIC

In Germany, drive-in style concerts are already being held. In one event organised by SEAT, the attendees enjoyed live music from their cars

## GASTRONOMY

Michelin-starred restaurants are offering take-away alternatives that can be collected by car

## SHOPPING

There are already supermarkets that load purchases into the trunk without having to leave the car
