

INFRASTRUCTURE CONNECTS EVERYDAY LIFE

START THE DAY

SIEMENS
helps meet

1/3

of America's
total energy needs
every day

GETTING TO WORK

We've helped more than **400** cities
reduce commute times and improve safety

By building **1** out of **3** light rail vehicles
and expanding passenger rail across the U.S.

AT WORK

40%

of energy use happens in
buildings where people work

Over the last **20+** years,
Siemens has helped modernize
nearly **7,000** buildings
worldwide

ECONOMIC IMPACT

For every **3** construction jobs created,
5 jobs are created in other sectors of
the economy

INFRASTRUCTURE IS A GROWTH STORY
