CUSTOMER SPOTLIGHT

CITY OF CHICAGO DEPARTMENT OF WATER MANAGEMENT

Siemens is working with the Department of Water and local contractors to upgrade the electrical distribution equipment at two purification plants and one pumping station, with more in the pipeline. These projects save the city millions of dollars each year in energy costs. Additionally, Siemens has worked with surrounding municipalities to upgrade their pumping stations and more efficiently distribute water to the Chicagoland area.

ACADEMIC PARTNERSHIPS

SIEMENS PLM SOFTWARE

Siemens Automation Cooperates with Education (SCE) offers a global system for sustained support of technical skills. SCE supports educational institutions in their teaching assignment in the industrial automation sector and offers added value in the form of partnerships, technical expertise, and know-how. In Chicagoland we work with:

- College of Lake County
- Harper College
- Joliet Junior College
- Moraine Valley Community College
- Prairie State College
- TII Technical Education Systems
- Triton College
